Hello Dr. Powell....

We would like to buy a set of your DVD's for the Historical Society, and I wonder if you would like me to pick them up or would you like to bring them to our next monthly meeting on Sunday, Feb 8 at 6 PM at the Society Headquarters? Sometime in the future, we would like to ask you to come for a special day of your own, with the public being invited, where we could ask you to tell about your most interesting project and what made you decide to work on it. Please let me know whether you would like to attend the meeting and say a few words, or rather wait for your special presentation later on.

Thank you

Peggy Brager
